Patient Consent Form

Patient Name: _____ **Date of Birth:** _____

___ I hereby authorize Marcum Chiropractic Clinic to release medical information regarding my current condition to my insurance company for purposes of payment and/or quality reviews; and to referring, consulting/treating physicians, or other medical providers as necessary to support continuation of care.

___ I authorize payment of insurance benefits to the chiropractor or chiropractic office. I authorize the doctor to release all information necessary to communicate with personal physicians and other healthcare providers and payers and to secure the payment of benefits. **I understand that I am responsible for all costs of chiropractic care, regardless of insurance coverage.** I also understand that if I suspend or terminate my schedule of care as determined by my treating doctor, any fees for professional services will be due immediately.

___ I understand and agree to allow this chiropractic office to use their Patient Health Information for the purpose of treatment, payment, healthcare operations and coordination of care. I understand that if I want a more detailed account of how my Patient Health Information is going to be used in this office and my rights concerning those records, I can request and obtain a copy of the **HIPAA NOTICE** that is available at the front desk. I will inform the office if there is anyone that I do not want to receive my medical records.

___ I have been informed that it is not uncommon for patients to have some increased discomfort after an adjustment. If that happens I may apply ice to the area (15 min. max.) and rest. If I am concerned about the discomfort or develop any new symptoms I can call **(503) 235-7130** to speak with the doctor. If I am unable to contact the doctor, I can present myself to an emergency department for evaluation/care.

___ I hereby request and consent to the performance of chiropractic adjustments and other chiropractic procedures including various modes of physical therapy and, if necessary, diagnostic x-rays on me by the doctor of chiropractic named below and/or anyone working in this clinic authorized by the doctor of chiropractic named below.

___ I have had an opportunity to discuss with the doctor of chiropractic named below and/or with other office or clinic personnel the purpose of chiropractic adjustments and other procedures. I understand that, like in all forms of medicine, results are not guaranteed.

___ I further understand and am informed that as in all healthcare, in the practice of chiropractic there are some very slight risks to treatment, including, but not limited to, muscle strains, sprains, disc injuries and strokes. I expect the doctor to exercise judgment during the course of the procedure which the doctor believes at the time, based upon the facts then known, is in my best interests.

___ I have read the above consent with the doctor as indicated by my initials. I have also had an opportunity to ask questions about its content and by signing below I agree to the above named procedures. I intend this consent form to cover the entire course of treatment for my present conditions and for any future conditions for which I seek treatment.

I have read this form and understand its contents on this date. **Please initial each paragraph and sign.**
